Dear Chairman Obey & Ranking Member Lewis:

I am requesting \$800,000.00 for the Cullman County Rural Transit Garage, Cullman, AL in fiscal year 2010. The entity to receive funding for this project is the Cullman County Commission, located at 500 2nd Ave SW, Room 105, Cullman, AL 35055. The funding would be used to build a transit garage to service 35 transportation buses and act as a transfer station for passengers. This project will further the efficiency of the Cullman Area Rural Transportation System (C.A.R.T.S). Taxpayer Justification: To further enhance the rural transportation system of Cullman County which assists numerous handicapped and senior citizens of the county with their transportation needs.

I certify that neither I nor my spouse has any direct financial interest in this project.

Also, I hereby certify that this request will be made publicly available on my Official Website as required by Chairman Obey's new Committee policy that only posted requests will be considered.

Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request (1) is not directed to an entity or program that will be named after a sitting Member of Congress; (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark; and (3) meets or exceeds all statutory requirements for matching funds where applicable. I further certify that should this request be included in the bill, I will place a statement in the Congressional Record describing how the funds will be spent and justifying the use of federal taxpayer funds.

Sincerely,

Robert B. Aderholt
